**Ryuo no oshigoto collaboration:** Penned by FC Gifu supporting manga writer Shiro Shiratori, we will be doing a special collaboration based on characters from the popular Ryuo no oshigoto (The Ryuo's work). There will be a specially designed ticket, and also special limited edition goods at the goods store.

**Hirogare midori flag:** As with the last game, we will be giving out around 5,000 specially designed flags and we want them to be displayed as the players come out to create a wall of green.

**Shogi:** There are some shogi - Japanese chess - themed events on this day. Hirotaka Nozuki, a highly ranked player in the shogi world, will do a talk event with Shiro Shiratori, who while also writing manga comics, is an avid shogi fan. There will also be a chance to play shogi from 11am - and it doesn't matter if you are a beginner or a skilled player. Come and give it a try!

Nozuki will also give some tips to some FC Gifu players, and he and Shiratori will be available for autographs from 1:15-1:40pm on the CCN Stage

**Sports events:** As part of the Japan Sports Masters event, The Gifu Seiryu version of it will start on Sunday with a couple of special activities. Former FC Gifu schoolcoach for a parent/child soccer class, while pro golfer Yuko Moriguchi will be on hand to give some golfing advice and lessons.

**Science:** Students from Gifu Nourin High School have made some Giffy themed ice. Infused with local honey flavors, this is sure to be popular to get to the area next to the food court to see what it is all about.

**Koya!** : Last month, attacking midfielder Koya Kazama played in his 150th J2 game, and we will celebrate that milestone before kick off.

**Entertainment:** As usual, mascot Giffy and the GGG cheerleaders will be on hand throughout the day to provide entertainment and to create a good atmosphere.

**Hometown events:** It is Ikeda-town and Kaizu-city hometown day and so there will be promotions and giveaways of items related to those places throughout the day.

**Access:**

By car - try parking at the Kagashima bridge north parking area (鏡島大橋北一日市場) and taking the free shuttle bus from there.

By bus - From JR Gifu bus rotary, take the Gifu loop bus - anti-clockwise - from stop number 11. You can also take it from Meitetsu Station (outside UFJ Bank).
